

# DoubleTree Resort by Hilton Lancaster

## THE VIBE:

Simple elegance defines the style of the Lancaster DoubleTree. Our Infinity Ballroom is beautifully decorated to deliver an outdoor feeling without the inconvenience of being outdoors. Our property is also unique in that we have an on-site chapel whose Victorian-style exterior and classic interior provide the perfect beginning of your happily ever after. The chapel's highlights include seating for 200, stained-glass windows and carillon bells. Our property also features a nine-hole golf course, which is a perfect way for your groom and his groomsmen to kick off the big day. We also offer

a travelling French Spa, which offers in-room massages.

## THE CAPACITY:

Our Infinity Ballroom will comfortably hold 350 people with a small dance floor. An elegant banquet room adjacent to our ballroom allows for flexibility. For example, in the case of larger weddings, we often suggest our Infinity Ballroom be used for dining, and the dancing move into the adjacent banquet room.

## THE VISION:

Our venue can accommodate all aspects of your wedding: The ceremony site, the rehearsal, the rehearsal dinner, rooms for the bridal party to get ready, cocktail

hour, the reception, and even a private, post-wedding, brunch for family members and guests who have stayed overnight.

## THE VENDORS:

We allow our clients to choose their vendors, with the exception of catering, which is provided by our property. We can provide suggested vendors to help ease the stress of finding the perfect vendor for your dream wedding. We only ask that vendors respect the hotel's rules and its guests.

## THE BOTTOM LINE:

All of our packages include tables, chairs, china, glassware, and linens. A food tasting is also included for selecting your perfect reception menu. If the

chapel is being used, we provide an attendant who will help with sound. A payment schedule can be established at the time a contract is signed.

## THE DÉCOR

Clients are permitted, and encouraged to bring their own décor. Our venue, if left alone, can provide the simple elegance you need to create a timeless, and classic look. But we recognize each bride is unique, and our venue can be your blank slate that you can decorate to create the masterpiece that is your dream wedding.

## THE OUT OF TOWNS:

Our venue offers 185 guest rooms. Room blocks can be set up for guests wishing to make reservations.
