

Drumore Estate

THE VIBE:

Drumore is a privately owned estate offering customized events in a relaxed atmosphere. Built in 1938 by local newspaper magnate, John F. Steinman, Drumore Estate offers a unique blend of natural unspoiled beauty, tranquil, formal fountain gardens and unobstructed vistas across the beautiful Susquehanna River Valley. The 70-acre estate includes a magnificent 16,000 square-foot Georgian-inspired home surrounded by mature trees and shrubs. The estate is located in Martic Township (Pequea), and is minutes away from Lancaster City.

THE VISION:

Your unique and special vision will become reality at Drumore. The estate provides versatility,

as it offers several gardens, indoor spaces and outdoor areas, including our new orangery that adjoins a lawn and tented patio. The fountains and pools are surrounded by meticulously manicured gardens. Anticipation grows as guests flow through the property. Weddings at Drumore Estate range from small, intimate gatherings to large parties. With our facilities, flexibility and customized planning, we will help you create a very memorable wedding day.

BOTTOM LINE:

At Drumore, you can simply rent the gardens and/or orangery or let us plan your entire event. Drumore is a full-service venue that provides catering, an event facilitator,

a parking attendant and professional staff to handle all the details, allowing you, your family and friends to fully enjoy the day. We meet with clients to plan the day's schedule, the layout of the event, as well as create the custom menu. We can accommodate your ceremony, buffet and/or butlered cocktail hour, buffet or served meal, and even late-night snacks. We host rehearsal dinners, too.

ALCOHOL POLICY:

Drumore does not have a liquor license. Clients are welcome to bring in wine, beer and liquor and we provide the rest - glasses, ice, mixers and bartenders.

DANCING THE NIGHT AWAY:

Drumore welcomes DJs and live

bands; several locations are available for dancing. Music must end by 10:30 p.m.

TIME FRAME:

Clients have use of the property for 10 hours on the day of the event; they are also welcome to use the property for the rehearsal, as well as for engagement pictures. Clients can decorate and drop-off items four to five days prior to their event and retrieve them the day after the event.
